Full Story

For more than 20 years, the Susan G. Komen Breast Cancer Foundation has been a global leader in the fight against breast cancer through its support of innovative research and community-based outreach programs. Working through a network of U.S. and international Affiliates and events like the Komen Race for the Cure®, the Komen Foundation is fighting to eradicate breast cancer as a life-threatening disease by funding research grants and supporting education, screening and treatment projects in communities around the world.

The Komen Foundation is about people – people who are committed to making a difference to put an end to breast cancer. More than 75,000 people make a difference in their communities by volunteering with Komen Affiliates.

I've been trying to download the employee manual for days now and I keep getting this error that I don't have Adobe Acrobat. What is Adobe Acrobat? If I wanted Adobe Acrobat I would have downloaded Adobe Acrobat. Why can't this be easy. It is the computer age, isn't it?
